**Contact No:** 9198821515

**Email ID:** adityaec1006@gmail.com

**LinkedIn:** <https://www.linkedin.com/in/aditya-kumar-gautam-421a09185>

Passionate about data analytics with a degree in bachelor of technology. Seeking opportunities where I can utilize my analytical, mathematical, and technical skills to solve real-life problems related to analyzing a big volume of datasets to draw insights that can help with business decisions

## Skills

Programming	Python, R, SQL, Excel VBA Macros
Visualization	Tableau, Power BI, Qlik sense, Jupyter Notebook
Database	MySQL
Soft Skills	Excellent verbal and written communication skills, presentation and storytelling skills

## Courses

Fundamentals of Statistics	Python Programming	Visualization with Tableau and Power BI
Hypothesis Testing	Machine Learning Algorithms	Regression Models
SQL		

## Certification / Recognition

- Dual participation certificate by **NASSCOM Future Skills & Jigsaw** in full-stack Data Science
- Awarded **Dazzle Award** for Automation testing.
- Certification in India DB LN-LTA 2019.
- Certification in Automation Intelligence 101.
- Certification in HWS DB Plan, Common testing, and System Fundamentals.
- Rewarded **Illuminate** award of the year for the best unit employee.
- Certification in CNS (Communication, Navigation & Surveillance) from Civil Aviation Training Centre.

## Experience

### Analyst

Organization: **Wipro**

Duration: Oct 2019 to Present

**Summary** - Use automated tools to extract data from primary and secondary sources Removing corrupted data and fixing coding errors and related problems Developing and maintaining databases, data systems – reorganizing data in a readable format

- Analyzed complex requirements and define technical/Functional advanced solutions.
- Created test cases (test scripts) using an Automation testing tool (Prueba).
- Hands-on experience in SQL and Advance Excel.
- Experienced in configuration and Testing
- Worked on the thunderhead tool to create customer engagement applications that deliver Personalized, contextual, multi-Channel communication
- Analyzed the requirement, testing Strategy design, test plan preparation, and test execution, and tracking defects.
- Experienced in Analyzing Client Requirements, designing/Configuration client's databases using DB2 web Pages, Estimating QA Metrics
- Proficient in data manipulation using SQL for the retrieval of data from the relational database.
- Experienced in Configuration and testing of Client/Server, GUI, and Web-based Applications.
- Documented, Troubleshoot, and followed up on the issues found during testing.
- Created Automation template test cases for verification.

## Education

*Aug 2015 – June 2019*

Bachelor of Technology (ECE) - United College of Engineering and Research Naini, Prayagraj

*May 2013 – May 2014*

Intermediate - Kendriya Vidyalaya Naini, Prayagraj

*May 2011 -May 2012*

High School - Kendriya Vidyalaya Naini, Prayagraj
